ZUMBAR™ IMPERIAL STOUT

Zumbar Chocolate Coffee Imperial Stout was created as a collaboration between New English Brewing Company, and San Diego boutique coffee roaster, Zumbar Coffee & Tea for the Great American Beer Festival, 2012, winning GOLD in 2015 in the “Coffee Beer” category.

This Imperial Stout is brewed with “El Mundo” a rich blend of Indonesian and Latin American coffee beans in the mash and also in the fermenter. As well as ridiculous amounts of whole bean coffee we added 2Lbs per Barrel of 72% cacao Belgian Chocolate in the secondary.

A true Russian Imperial Stout at 9.3% ABV, this beer is nevertheless well balanced with Nugget hops providing 45 IBU's ensuring a pleasant bitterness offsetting the powerful combinations of malt, coffee and chocolate. Enjoy with care!
